

## URBAN FISH DESIGN™ CONTINUES COMMITMENT TO DONATE 10% TO ALS RESEARCH

**January 2009** – Urban Fish Design™ designated ALS TDI (Therapy Development Institute) as its charitable organization of 2008. As promised, ten percent of all proceeds from Wynona Urban Fish™ note cards were donated.

### **What is ALS Therapy Development Institute?**

The ALSTDI is a nonprofit biotechnology company that combines the passion and dedication of a nonprofit organization with the best practices of a for-profit biotechnology company. Their mission is to aggressively seek out, develop and deliver therapies that will slow, arrest and cure ALS.
